AGILE

Simple but never ordinary, the Agile is built with aircraft-grade aluminium, making it lightweight and durable. With advanced engineering, this chair is easy to push and manoeuvre, along with being easily transportable.

Lightweight, durable and easy to manoeuvre

PERFORMANCE, COMFORT AND STYLE

The Karma Agile Wheelchair is all about performance, comfort, and style. Improved from the tested Karma ECON series, the Soma Agile not only inherited its multi-adjustability but also evolved to provide a wider variety of options to serve individual needs. The Soma Agile is the new standard for transferring wheelchairs and a cost effective option for anyone who is unable to walk but maintains upper body control.

FEATURES

- 8" castors and quick release 24" rear wheels
- Standard flip-back armrests making moving from side to side easy and quick
- 80° removable footrests to ensure a safe transfer into and out of the wheelchair
- The Agile wheelchair is also designed with the carer in mind. With advanced engineering, this chair is very easy to push and manoeuvre
- Fixed backrest
- Compact and lightweight for easy transport
- Quick-release rear wheels allow for even lighter carrying weight and smaller storage space
- Built with aircraft-grade aluminium
- Elevating legrests and anti-tippers available for purchase separately
- Transit kit available for purchase on request
- Available in Pearl Silver with black upholstery
- Three Year Warranty

ACCESSORIES
